English Writing provides students with preparation for academic and professional writing, including a foundation in rhetoric, argumentation, composition, and style. Students will become familiar with planning, drafting, editing, and revising their academic writing with attention to audience, purpose, and genre. Students will also receive training in critical reading skills for academic purposes. Students will use creative and critical thinking skills such that their writing will serve as a mode of communication, persuasion, and problem solving that will in turn develop students' analytical and argumentative skills to achieve academic, professional, and personal goals. The course will allow students to identify their individual writing processes, to work collaboratively, and to use multi-modal forms of academic expression. To this end students will write essays, feedback reports, reflective writing, and routine journaling in addition to working on at least one collaborative project that includes written, oral, visual, and electronic components.

### **Schedule (cont'd):**

Note: This schedule is subject to change based on the needs of the class at the instructor's discretion.

### **Student Use of Electronic Technology Policy:**

Students must use electronic technology (including cell phones, laptops, tablets, and iPads) in appropriate ways during classes. Out of respect, cell phones should generally be turned off or on silent and stored out of sight. They should not be used during classroom activities unless the instructor has given permission. Electronic devices are forbidden during quizzes, tests or other in-class graded assignments, unless the instructor has given permission.

Technology use in this class is meant to improve the learning environment for all students. Please be respectful of your instructor and classmates and use the technology appropriately.

### **Recording:**

To ensure the free and open discussion of ideas, students may NOT record classroom lectures, discussions, and/or activities without the advance written permission of the instructor, and any such recording properly recorded in advance can be used solely for the student's own private study.

### **Make-up Policy for Missed Assignments and Tests:**

Students are responsible for the assignments in their classes. Assignments include in-class activities, quizzes, tests, homework, and any other work related to classes.

- If you are absent from class, you should try to contact one of the students in your class to find out what work was missed.
- If you cannot find out from another student about what work you have missed, when you return to class you must talk to your instructors about the missed work and if/when you can make up the work. You are responsible for talking to your teacher; your teacher is not responsible for reminding you about missed work.
- If you are absent from class on the due date of an assignment, you must hand in the assignment and be prepared to make up tests the day that you return to class or on a date decided with your teacher.
- If you know you will be absent, talk to your teacher before you leave or email your teacher to find out about the work that you will miss while you are away.
- If you have not been absent from class and you want to hand in an assignment late, you must first discuss the reason with your teacher before or on the due date. Do not assume that your teacher will accept late assignments. Also, you will lose points for late work in this situation.
- If you and your teacher arrange to meet so that you can make up an assignment and you miss that meeting, you will receive a "0" for that assignment.

### **SCUPI Honor Code:**

Students in this course must follow the SCUPI Honor Code. This includes:

- must not get help from anyone to do his/her work without the teacher's permission.
- must not get help from any outside sources to do his/her work without the teacher's permission.

- must not copy the words of another and present those words as his/her own work.

Participating in these activities can result in an F. Turning in work that is not your own can result in an F.
